10th Grade Activity:

What will I get from my YouScience results?

Students will be able to answer these questions:

What careers are the right fit for me based on my natural strengths?

What am I going to do after high school?

How can I describe myself and who I am with confidence?

Where do I fit in the world of work and careers?

Rising 9th Graders

Review: 10th grade checklist

- ✓ **Visit a college campus together.** It's a great way to get your 10th-grader excited about college.
- ✓ Help your sophomore **explore career ideas.** He or she can make a list of interests, talents and favorite activities and start matching them with occupations. **YouScience and Naviance are helpful tools!** See our [Career Exploration website](#)
- ✓ Your sophomore can **schedule a meeting with their counselor** to talk about college and career options, review their past classes/grades, and plan for 11th and 12th grade courses appropriate for their goals.
- ✓ Encourage your child to **set goals for the school year** to stay motivated and focused.
- ✓ Make a plan with your child to **check-in regularly about schoolwork.** Work as a team!
- ✓ Talk about extracurricular activities. **Getting involved in clubs and other groups/activities** is a great way for your child to identify interests and feel more engaged in school.

10th grade checklist cont...

- ✓ **Students in 9th, 10th, and 11th grade are scheduled to take the PSAT at Centennial in October.** Taking the test can help your child prepare for the SAT and get on track for college. Sophomores can also use their score reports to figure out which academic areas they need to work on. Learn more about the [PSAT/NMSQT here](#).
- ✓ Register your 10th grader for a **MOCK SAT or ACT**. This is a great opportunity to see how well they would do on the actual exam, along with the PSAT.
- ✓ **Review PSAT/NMSQT results together (Winter).** Log in to www.collegeboard.org with your child to learn what she or he is doing well and which skills your child should work on to get ready for college and career. It will also connect your child to [free, personalized SAT study tools on Khan Academy](#); recommendations for AP courses; and college and career planning resources.
- ✓ Start thinking about **ways to pay for college**. Most families get help paying for college costs. Read about [How Financial Aid Works](#).
- ✓ Make a **college wish list together**. Talk with your 10th-grader about qualities he or she may want in a college in terms of location, size, majors offered, etc.
- ✓ Help your child **make summer plans in Spring**. Summer is a great time to explore interests and learn new skills — and colleges look for students who pursue meaningful summer activities.

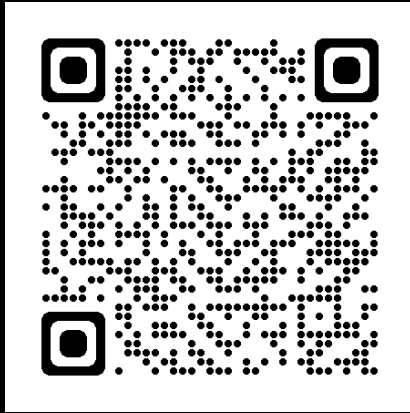

Researching Colleges & Careers on Naviance

Students can access Naviance by using their FCS login in Classlink, and click on Naviance

- ▶ Interest & Self Discovery: Helps students develop confidence and lays the foundation for their life today, and their future.
- ▶ Career Planning: Assessment tools in Naviance allow students to connect their personal strengths, goals, knowledge, values, and interests to future careers.
- ▶ College Planning: By matching students to colleges based on students' interests and goals, the Naviance College Planning tools allow students and families to make informed decisions.

11th Grade To Do List

- Make sure you are in junior classes.
- Create a Georgia Futures Account- www.gfutures.org
- Check your final HOPE GPA in June to see if you are paced for HOPE Scholarship eligibility.
- Please make sure that the counseling office received your social security card to upload social security number to HOPE.
- As you continue your [college search](#); complete [self-assessments](#), decide what you may want to study and let that help you narrow down your list of potential colleges
- Research colleges. Tour Colleges. Create list of 3-5 schools.

11th Grade To Do List (cont'd)

- Request applications and financial aid information from colleges of interest and continue with your college visits. Call ahead for appointments with financial aid, admissions and academic advisors. If you go on college interviews or visits, don't forget to send thank-you notes or emails afterward.
- Take the [SAT](#) and/or [ACT](#) in the fall or spring of your junior year.
- Check for updated information regarding the SAT and The ACT on our website:
www.mycentennialcounseling.com
- Familiarize yourselves with NAVIANCE as a tool for conducting self-assessments and researching for potential colleges.
- Stay involved: at school, in sport, with extracurricular activities, at a job, volunteer, look for leadership opportunities.

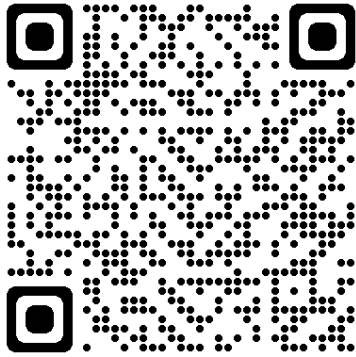

11th Grade To Do List (cont'd)

- **Form relationships with your teachers-** you will be asking them for recommendations during senior year.
- **Be productive in the summer.** Participate in College programs, specialty camps, internships, sports, services (volunteer).
- **Be a good student:** Study, organize yourself, ask questions, complete assignments. Develop these skills. They will help you in college and in your lives after post-secondary education.
