

Summer School

2014-2015 School Year

Summer School is an opportunity for Fulton County high school students to accelerate or recover credits during the time between school years. Face-to-face and virtual offerings exist, and often provide students with a broader array of options than those available during the school year.

The summer sessions are condensed versions of content provided during the school year, and students must have their course requests validated by their counselor before being enrolled. Typically, tuition is required, and transportation is provided between selected locations.

Courses

The following courses are available for students who have not passed first and/or second semester. These courses are not available to first-time course takers. Students wishing to accelerate their learning and take one of these courses for the first time during the summer may register for the course through Fulton Virtual School.

- Grade 9 Literature and Composition
- American Literature
- CCGPS Coordinate Algebra
- CCGPS Analytic Geometry
- Biology
- Physical Science
- U.S. History

Students who enroll in one of these courses will take an online pre-assessment prior to beginning the course on June 17, 2015. Upon approval by the counselor to take the course in a face-to-face setting, students will be scheduled to take the online pre-assessment.

The following courses are available for students who need to repeat the course or take it for the first time.

- Personal Fitness (Please note this is the only course with an end date of July 9, 2015.)
- Economics

Tuition

1/2 Credit = \$225 (\$180 with free/reduced meal status) per course

1 Credit = \$450 (\$360 with free/reduced meal status) per course

*Students who need to retake a class may attend summer school provided by Fulton County Schools at no cost.

Transportation

Abbreviated transportation is available for summer school. Please check the Summer School website for specific stop and time information for your student.

Fulton Virtual Campus

Fulton Virtual provides online learning options for middle and high school students throughout the district, enabling greater flexibility for students aiming to recover credit or accelerate classes. Fulton Virtual courses are teacher-led; instructors work with students, parents/guardians and other interested parties (e.g., counselors) to deliver course learning objectives and support the academic needs of each student. Moving forward, the offerings of Fulton Virtual Campus will provide even more varied and dynamic content, user friendly customization and personalization options, as well as opportunities for students at earlier ages to engage in learning virtually.

Courses

All Fulton Virtual Campus summer course selection questions should be directed to your home school counselor.

- 9th Grade Literature & Composition S1 & S2

Tuition

1/2 Credit = \$225 (\$180 with free/reduced meal status) per course

1 Credit = \$450 (\$360 with free/reduced meal status) per course

*Students who need to retake a class may take a Fulton Virtual course at no cost.

Online Registration

<http://fulton.geniussis.com/PublicStudentCourseRegistration.aspx>

Parents and students request courses and create an account through the Fulton Virtual School web page. Once a course request has been created, an email is sent to the student's home school for review by the counseling staff. If it is accepted, a follow-up email is sent to the parent/student requesting that they log back in to fulton.geniussis.com to pay for their courses. Course access will begin on the start date of the semester chosen.
