10th & 11th grade Parent Night!

Counselors will review 10th and 11th grade classroom curriculum and important information for Sophomores and Juniors families to know!

For the main event, a representative from the college test prep company, **Applerouth**, will discuss how to help your child become a stronger applicant in the college admissions process.

They will cover the following topics:

- What drives college admissions decisions
- How to submit more competitive college applications
- How your child can achieve his or her best scores on the SAT and ACT exams
- How to use grades and test scores to leverage better financial aid offers
