

CareerWorX

@GwinnettTech

Join us for CareerWorx – an interactive event for families with children 9th to 12th grades and anyone looking to go to college! This robust event explores our academic programs and student services to help you discover a rewarding career path.

See the excitement behind today's in-demand careers as you consider what comes after high school or even a new career. At CareerWorx, you may experience performing a mock sonogram, using a virtual welder, designing a marketing plan, exploring the high-demand field of advanced manufacturing and more! Potential students have the opportunity to explore a variety of programs and talk with employers eager to hire Gwinnett Tech grads.

Talk with college recruiters, financial aid counselors and enrollment advisors.
