

# CareerWorX

@GwinnettTech

Join Us for CareerWorx – an experience that connects exceptional education to future careers. We invite the community to see our campus, academic programs and student services to discover a rewarding career path. At CareerWorx, you will experience dozens of “hands-on” programs and talk one-on-one with instructors.

- **See the excitement behind today's in-demand careers** as you consider what comes after high school or even a new career. At CareerWorx, you may perform a mock sonogram, try your hand at cybersecurity, explore different engineering fields, use a virtual welder, design a marketing plan and more!
- **Talk with college recruiters, financial aid counselors and enrollment advisors.** Apply for FREE!
