

**FREE GRIEF CAMP AGES 6-16**

# Camp Horizon

## Willy Wonka Edition

A place of healing, hope, and fun where children ages 6-16 learn how to cope with the loss of a loved one and make lifelong friendships with kids in similar situations. This is a **FREE** one-day grief camp that is open to any child who needs help. Kids enjoy fun activities, lessons, and projects specially prepared by our bereavement counselors, designed to help them explore their feelings related to loss, and develop coping skills and strategies.

**June 22, 2024 at Community Bible Church**

**More fun than you can imagine...**
