College Credit Now

What is Dual Enrollment?

- Opportunity for qualified high school students to earn college credit while in high school.
- Student is simultaneously enrolled in HS and college
- Funded by the State

Dual Enrollment vs AP classes... What's the difference?

Both have the potential to earn college credit

AP Courses

- Meets everyday
- College credit tied to AP exam score
- Recommended for students applying to competitive colleges

Dual Enrollment Courses

- Meets 2 days a week
- Student must apply & be accepted by the college
- College credit awarded by the college offering the course

College Math at Centennial

- **2 semester (year-long) commitment**
- **Will meet either Mon/Wed or Tues/Thurs from 8:00 – 9:15 with instructor from GTC**
- **3 college credits and 1.0 high school credit earned per term for successful completion**
- **College credit is potentially transferable to other institutions**
- **Must maintain a “C” or better average**

Grade Conversion

$$A = 95 + 7 = 102$$

$$B = 85 + 7 = 92$$

$$C = 75 + 7 = 82$$

$$D = 70 + 7 = 77$$

$$F = 60$$

Expectations for Dual Enrollment Students

- On-time attendance for all class meetings and will communicate any problems directly to the instructor
 - Will be automatically dropped from course if absent 20% of classes
- Students will follow GTC processes and procedures and respond to college officials in a timely manner
- Students will complete all assignments and adhere to all deadlines set forth by the GTC instructor
- **Parents are not contacted by the GTC instructor—** similar to any college course (FERPA release)

GTC College Algebra
