Reminders:

- Exams **cannot** be given early. All requests for excused absences during final exams must be submitted, in writing, to the students’ administrator.

- If a student is absent during the final exam/graded experience:

Non-EoC classes:	EoC classes:
<ul style="list-style-type: none"> Student will receive a “0” on the exam. The final grade is submitted in the grade book as a “0” on the final exam. Once the student makes up their Final Exam, the grade is inputted in to the grade book and the final average is recalculated and a grade change form is submitted to Mrs. Stisher. 	<ul style="list-style-type: none"> If a student did NOT take the EoC, the student receives a “0” in the column where their Final Exam EoC score goes. The grade needs to be submitted as an “I” for the FINAL S2 grade for the student. This is the ONLY way, we can easily identify students in the fall who still need to take an EoC. If a student misses the graded experience on Final Exam Days for your class, it goes in as a “0” .

- Students that miss their final exam, need to make up their final exams. This can be done during the summer; however students do have the first 10 **days** of returning to school to make up their final. Any exams not made up within 10 school days will result in the student receiving a “0”.
