Frequently Asked Questions

What is the best way for a student to access his/her counselor?

Counselors work with students based upon first letter of the student's last name. Parents may call the Counseling Office (770-650-4260) or e-mail their students' counselor.

Students may either schedule an appointment or e-mail their counselor.

What if a student or parent contacts a counselor, but do not hear back from the counselor within 24-48 hours?

Please submit another appointment slip, send another email, or call again. If you do not hear back from a counselor, it means the counselor did not receive the request.

Can a student change his/her schedule once classes start?

No. Schedule changes are only made if a student is academically misplaced.

When a student re-takes a course he/she fails, does that grade replace the poor one?

No. Every course, grade, and credit remains on a student's transcript.

How do I find out additional information about Centennial High School's Counseling Program?

Visit the Counseling website at <http://www.mycentennialcounseling.com>.

We look forward to working with you!
