### **After submitting all portions of the MOWR Application:**

- Check your admission status by logging on to the college's website with the Login ID.
- The college will notify students directly if they have been accepted or denied.
- During spring course registration, students will be registered for a full 6 period schedule of high school classes for next year until the college has provided Centennial with verification of student acceptance.
- After students are accepted, student schedules will be adjusted. At that time additional documents and steps on GAFutures.com will be required for students to complete for state funding to cover MOWR course tuition.
