WHAT IS MOVE ON WHEN READY?

Move On When Ready is Georgia's dual enrollment program which provides HS students the opportunity to take college level coursework for credit which can be applied towards both high school and college graduation requirements.

How it works...

Apply

- Student applies to the MOWR program at the college they are interested in attending as a dual enrollment HS student

College Admissions

- Student accepted or denied by the college if they meet the college's MOWR admission requirements

Registration

- Student chooses classes from list of approved MOWR college course(s)
- Student will have both a college schedule and a Centennial schedule

Take the Class(es)

- Student completes the course during the fall, spring and/or summer semester
- Final grades assigned by the college professor

Transcripts

- Student then has a HS transcript *and* a college transcript
- MOWR grades and credits on college transcript are added to the HS transcript

Graduate HS

- College credits applied toward HS graduation requirements

Continue Education

- Apply to College
- Student applies/transfers earned college credits to college they attend after HS*

**Students are responsible for verifying with college which MOWR credits will be accepted and/or transferrable to that institution.*

MOWR Eligibility

Who can participate in MOWR?

- Students enrolled in a GA public or private high school
- Students in grades 9th, 10th, 11th and 12th grade
- Students who meet the MOWR admissions requirements at selected postsecondary institution
- Students who meet high school requirements specific to Fulton County.
- Must not have already received a high school diploma
- No residency or citizenship requirement

How much does it cost students to participate in MOWR?

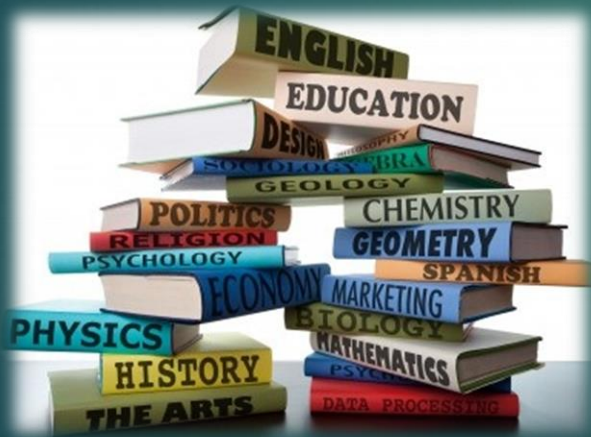

The GA Student Finance Commission covers the cost of tuition, mandatory fees and textbooks for approved classes (students must meet all MOWR eligibility requirements)

The postsecondary institution cannot charge the student any additional tuition or mandatory fee costs for approved MOWR courses

Credit Hours paid for by MOWR are not counted toward the Attempted Hours or Combined Attempted Hours limit for HOPE and Zell Miller Scholarship at the postsecondary level

What college classes are approved for MOWR?

**Each college has different course offerings approved for MOWR.*

Students can take courses in areas including:

Core subjects: English, math, science, social studies, & foreign language

Career, technical, agricultural and elective courses

Online courses

**Courses available to each student will vary depending on grade level and college course pre-requisites.*
