## WITH COLLEGE • CAREER • LIFE

### SUMMER ENRICHMENT COURSE FOR RISING SENIORS

Tools for College Success is designed to equip students with the essential skills, knowledge and resources necessary to begin preparation for a successful transition into college and ultimately the workforce. Through a blend of interactive lessons, discussions, and guided group assistance, students will get a jumpstart on their college and career planning. This FREE tuition in person summer school course will cover topics such as:

- Self & Career Exploration
- Post-Secondary Options
- College Planning & Application Process
- Financial Aid & Scholarships
- Communication & Essay Writing Skills
- Personal Development & Skills Needed for College Success
