

TEACH YOUR CHILDREN WELL:

WHY VALUES AND COPING MATTER
MORE THAN GRADES AND TROPHIES

AN EVENING WITH DR. MADELINE LEVINE

THURSDAY JANUARY 22, 2015

6:30 P.M. TO 8:00 P.M.

CHATTAHOOCHEE HIGH SCHOOL AUDITORIUM

5230 TAYLOR ROAD, JOHNS CREEK

OPEN TO ALL FULTON COUNTY SCHOOLS PARENTS AND THEIR STUDENTS

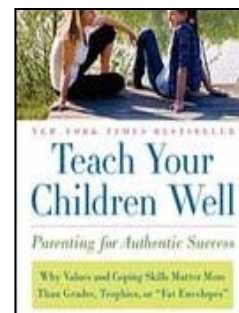

With our fast and ever-changing society, students are faced with more pressures than ever before. The development of skills needed to be successful in the 21st century -- creativity, collaboration, innovation -- are not easily developed in our competitive, fast-paced, high pressure world. How can you, as a parent, help your student?

In this free evening seminar with Dr. Madeline Levine, a psychologist with nearly 30 years of experience as a clinician, consultant, educator and author, parents will learn practical, research-based solutions to help their families become healthier and saner versions of themselves by remembering that successful parenting is measured 20 or 30 years down the road, not at the end of any particular grading period.
