

October 21, 2011

Dear Member of the Centennial Community,

Centennial High School is excited to announce that our school has been selected to hold a **Georgia Apply to College** (GAC) event. During our Georgia Apply to College event, every Centennial senior will be given the opportunity during the school day to apply to college using GAcollege411.org, while receiving assistance from specially trained college and community volunteers.

Centennial will be hosting this event on **Thursday, November 17th from 8:30am – 4:30pm**. In order to make this event a success, we need your help! Volunteers are needed to help our students navigate the college application process with the goal of completing at least one application for admission during the event. This exciting and valuable event will provide you with the opportunity to impact the lives of our students in a meaningful way by:

- Helping students logon to GAcollege411.org
- Guiding graduating seniors through the college application process
- Answering any questions students have as they work on their application(s)
- Sharing college experiences
- Inspiring seniors to bigger and better things

Volunteers will be provided access to both a Volunteer Handbook and an online training video to help ensure they are prepared to provide assistance to students and have a fun and positive experience.

Please strongly consider this chance to assist our school in this important initiative. This event is not a college recruitment event but is an excellent opportunity for you to assist Georgia high school students as they embark on the journey towards attending college. If you are interested in volunteering to help during our event please contact me directly using my contact information provided below.

Thank you in advance for your support of this initiative to helping to make college a part of our students' futures! We hope to see you on November 17th!

Sincerely,

Shellie Caplinger Ed.S., NBCC
