Women in Engineering Summer Camp

The Women in Engineering (WiE) Explore Camp at the University of Kentucky College of Engineering is a six-day residential summer camp for young women interested in engineering. Females entering any high school grade in fall 2019 are eligible to register.

## WHAT WILL YOU DO AT EXPLORE?

- Discover all UK engineering majors
- Meet UK engineering faculty, staff, students and alumni
- Participate in hands-on instructional activities
- Receive mentoring from current UK engineering students
- Take field trips to local engineering companies
- And much, much more

Plus, you'll get to stay in Woodland Glen III, home of the UK Engineering Living Learning Program. If you enjoy STEM subjects, you won't want to miss this camp!
