

CURRENT 9TH GRADE PARENT NIGHT - PART 2

WED, FEBRUARY 5 AT 6:00PM - CHS CAFETERIA

Please Join Us!

The registration process will be different this year, so please make sure you attend this interactive parent night – even if you have attended in previous years.

You will leave with a blueprint of an individualized 4 year academic plan for your student, as well as an increased knowledge of the courses required to fulfill graduation requirements.

You will be given information that will help:

- you assist your 9th grader as he/she select and verifies courses for 10th grade
 - considers potential courses for subsequent years.
-
