

TECHNOLOGY ASSISTANCE

To request a Laptop: call the Remote Learning Hotline 470-254-2300 and select option 8 for computer/hardware issues.

FCS Technology staff members will be available through "Dial 8" to address hardware/computer needs or any problems with an FCS issued computer.

The Technology staff will help Parents/Guardians and Students to choose a time/date/device hub location to get a computer, swap a computer, get a power cord, or return a computer.
